Faith by Itself

The New Testament book of James is one of the easiest books in all of Scripture to understand. That's because James used an illustration with just about every point he made. He focused on how Christians are to live. It is not enough to simply know facts but we must apply those facts to our lives. James explained it is not enough to have "faith" but we should live by our "faith". He illustrated his point by saying **"If a brother or sister is naked and destitute of daily food, and one of you says to them, "Depart in peace, be warmed and filled," but you do not give them the things which are needed for the body, what does it profit? Thus also faith by itself, if it does not have works, is dead"** (James 2:15-17). Let us make sure that our faith in God is not dead; but, let our faith be alive and profitable.
