## Effective Elders

Next Saturday, November 10, 50 elders from 16 congregations will gather at Southern Hills for a seminar on church leadership. If you know an elder or someone interested in becoming an elder who might benefit from this seminar, please share this opportunity with him. The seminar is from 9 a.m. to 3 p.m. There is no fee and all that is needed to register is to call me or the church office to provide a number so we can have sufficient materials and food on hand.

Lonnie Jones will be here to present ideas from his groundbreaking new book *Cognitive Spiritual Development: A Christ-Centered Journey to Spiritual Self Esteem*. Lonnie will speak on three topics: *Growing Healthy Sheep*, *Growing Healthy Flocks*, and *Growing Healthy Shepherds*. These lessons will explain the role of the church and her leaders in helping members mature spiritually.

I will also be presenting two lessons on Saturday from my new book *Successful Shepherds*. This volume addresses the relational side of church leadership and presents five biblical tools for leading God's people in paths of righteousness. My topics are *The Shepherd's Ears* and *The Shepherd's Arms*. These lessons will equip elders to lead like Jesus by listening well and loving well. Thank you for helping us get the word out, and by all means, join us if you are interested in serving as an elder one day — AJ

*The saying is trustworthy: If anyone aspires to the office of overseer, he desires a noble task. — 1 Timothy 3.1*
