## SERMON SCHEDULE

This morning I am beginning a gospel meeting with the Twomey Church of Christ at Centerville. Ken Hardison will preach at Southern Hills in my absence. He will also combine his Bible class with mine in the auditorium. I appreciate Ken's willingness to help. Twomey will have their PM service at 1:00, which means that I will be back at Southern Hills tonight, when I want to continue our studies in the Gospel of John with a look at John 1:14-18. I hope to see you then.

Bible Bowl, the SHARE Retreat and the fish fry were all great successes. We thank all who had a part in them. We continue to enjoy our Wednesday night fellowship meals and we thank Wesley Fox and his crew for the good meals. Summer is over, schools have started and we are settling into our new routine. We encourage you to make every service of the church at Southern Hills a part of your regular schedule.

Our Sunday morning sermons will focus on the church and its place in the plan of God, as well as on the role that the church has in contemporary society. I fear that some do not understand how important the role of the church is and what their place is in the church. We will alternate sermons on this theme with sermons on other themes as the need arises.

Our Sunday evening sermons will explore various themes. Many of them will be expository studies of the Gospel of John. We hope to see you at all services.
