# FAITH

What is faith? Why is it important? Faith is central to biblical thought and teaching. It begins with the faithfulness of God Himself. He is the faithful God. He will never go back on His word (2 Corinthians 1:20). He has given us His “exceedingly great and precious promises” (2 Peter 1:4).

We are to have faith in God and be faithful to God (Mark 11:22). We are to “walk by faith” (2 Corinthians 5:7). The word “walk” refers to our conduct or manner of life. Our lifestyle is to be one of faithfulness. It is by and through our faith in God that we live our lives.

What is faith? It “is the substance of things hoped for, the evidence of things not seen” (Hebrews 11:1). We are saved “by grace through faith” (Ephesians 2:8). Faith is absolutely necessary to salvation (Hebrews 11:6). But that is not faith only. (See James 2:14-26.) It is an obedient faith (Romans 1:5, 16:26). While we are not saved by works, we will be judged by our works (James 2:24, 26; Revelation 20:12).

How do we know how to walk by faith? By our study and knowledge of God’s word (Romans 10:17). Faith is both produced and nourished by our study of-and obedience to-the inspired and authoritative word of God. We are to be taught and nourished by “the word of God which lives and abides forever” (1 Peter 1:23). Please study God’s word; live according to it; teach it to others.
