Your Nearest Kin

The Bible places a great amount of importance on wisdom. King Solomon valued wisdom above all else and God gave him a wise and understanding heart because of it (1 Kings 3:5-12). As a matter of fact, Solomon wrote the book of Proverbs which is dedicated to teaching God's wisdom on a wide variety of subjects (Proverbs 1:1-6). While writing Proverbs he said **"My son, keep my words, And treasure my commands within you. Keep my commands and live, And my law as the apple of your eye. Bind them on your fingers; Write them on the tablet of your heart. Say to wisdom, 'You are my sister,' And call understanding your nearest kin"** (Proverbs 7:1-4). We also need to place a great importance on understanding and wisdom. We should follow the advice that Solomon gave to his son and treasure wisdom and understanding like we would a close relative. Let us all seek after wisdom and treasure understanding.

Lads to Leaders

We want to extend our deepest appreciation to all who came to help with Valentine Banquet. We had so many parents and members who came to help setup and cleanup. So many that I cannot list them all here. To all of our youth group members, we so appreciate your hard work, efforts, and great attitudes to make this event so special. Thank you to our SHARE group members who attended and supported our banquet. A huge thank you to Berkley Rodgers who came home from college to work with our skit. Another huge word of thanks to Jimmy Davis, Katie Vanderpool, and Dorea Johnston for feeding us so well!
