Bible Bowl-This past weekend almost 40 of our youth participated in the annual Bible Bowl in Cookeville, TN. This event requires a great deal of study into the word of God and we are so proud of all our young people who committed and worked so hard. We are blessed to have such a great group of young people and an amazing group of parents. We want to take a moment to thank Ken and Karla Hardison who worked tirelessly to make this weekend possible. We want to thank all the people who wrote questions and the Broomes for making certain the web site was up to date. Thank you to all the teachers and coaches who came each week to practice and then on to the competition. A huge note of appreciation to the McKnights and the Vanderpools who fed us lunch at Bible Bowl. We will have a more comprehensive update next week!

More Than a 24-Hour Virus

If Jesus were to come and give Southern Hills a medical diagnosis what do you think He would say? Make no doubt about it--His diagnosis would be 100% accurate, because He is the Son of God. He not only knows what we are doing, but why we are doing it. What symptoms are we exhibiting that we might be overlooking? Is there a specific cause for what we have? And what is our long-term prognosis--what happens if our condition is left untreated? But above all else, the overriding question we would really want to know is this: What is the cure?

This morning we are going to examine a church that Jesus diagnosed as sick. The real problem with this church may not be what you've always heard. It is my prayer that you will honestly evaluate your own life--and our church family here at Southern Hills--and discern whether we might be in the same condition.

--Brad Harrub, Ph.D.

Dear Southern Hills Church Family: I would like to offer my deepest appreciation for the flowers, cards, prayers and words of condolences expressed to me during the recent death of my mother. And a special note of gratitude to those who sacrificed your time to attend the visitation & funeral. Your kindness has made this burden lighter to bear. Thank you for being the loving church family that you are. May God continue to bless this congregation. William Morrison

Dear Ladies: We received the beautiful 58 care bears in August. It is a delight to receive those items to use in our baby boxes. The recipients will be so grateful to receive them after suffering losses in the floods, tornados, fires and hurricanes. We know that you put a lot of time and effort into making these items. We appreciate your dedication and we send special thanks for all your hard work. We know that the Lord will certainly reward your efforts in taking time to help the needy. We pray for your continued support.
