# NEW SERIES

Today we begin a new series of Sunday morning sermons that will study some of the fundamental facts of the gospel of Christ. This morning's sermon will deal with man's basic problem, which is sin. What is sin? Why is it a problem? What is the result of sin? How can we overcome the problem of sin? These and other questions will be discussed in this sermon.

Other sermons follow that will deal with such subjects as Christ, faith, repentance, confession, baptism, the new life in Christ and heaven. These lessons will take us through the rest of the Sunday mornings of the year.

Why is it necessary to preach such sermons? After all most of us are Christians already. But what about those who are not Christians? Do they not need to be taught? If they know the truth, do they not need to obey the gospel?

There are several people who attend our worship services on a regular basis who know that they need to obey the gospel. But you have not. Why not? We are trying to do everything we can to encourage you to become a Christian. What can we do to convince you to make the most important decision of your life?

How do you become a Christian? Hear the gospel (Rom. 10:17), believe that Jesus is God's Son (Jn. 8:24), repent of your sins (Lk. 13:1-5), confess His name (Rom. 10:10), and be baptized for the remission of your sins (Acts 2:38). Please do that today!

~Dan Cottrell
