Becoming Examples

An important concept in the Bible is the concept of being an example. Listen to the words that Paul wrote to the church of the Thessalonians. He said, **“And you became followers of us and of the Lord, having received the word in much affliction, with joy of the Holy Spirit, so that you became examples to all in Macedonia and Achaia who believe. For from you the word of the Lord has sounded forth, not only in Macedonia and Achaia, but also in every place. Your faith toward God has gone out, so that we do not need to say anything”** (1 Thessalonians 1:5-8). Great things can happen when we act in a way that others can follow. Consider these two questions: 1) do you have godly examples in your life that you are following? 2) are you setting a godly example for others to follow? Let me encourage you to give some thought to those “questions this week.
