Ponder the Path

Solomon said “**Ponder the path of your feet, And let all your ways be established. Do not turn to the right or the left; Remove your foot from evil.**” (Proverbs 4:26, 27). This instruction was given by Solomon to his children. He found it important to remind them to remove themselves from evil. Truth be told that same instruction is good for us today. We also must make sure that our feet do not wonder the paths of evil. Solomon said that the way we can do this is by pondering the path of our feet. That simply means that we should think about the things we are doing and the places we are going. Our lives are busy. It seems as if we are always running in one direction or another. Let me encourage you to take a moment and consider the way you are living.
