“When Pride Comes, Then Comes Shame”

It’s been said that “pride is the only disease everyone around you suffers from, except yourself.” The truth is that no one likes to be around people who are arrogant. Those who are boastful do themselves a great injustice by making themselves a burden to others. This is actually taught in Proverbs. We read “When pride comes, then comes shame; But with the humble is wisdom” (Proverbs 11:2). Those who boast in themselves do not accomplish their goal of making everyone think they are great; rather, they bring shame upon themselves. On the other hand those who are humble do the opposite. They are a pleasure to be around and thus they show us great wisdom. It is the humble that we hold in high esteem. Let us all be wise and humble ourselves. It is when we do this that others will think highly of us.

HELP NEEDED

Our brethren in The Lord's Church in India, who Southern Hills supports, need our help and prayers. Their area has experienced historic flooding (think Hurricane Katrina destruction level) and many have lost their homes, livelihood, and some have died. Southern Hills has made a contribution, but the immediate need is great and our members should consider if they can participate too. A dollar goes a very long way in India, so every little bit helps. If you would like to donate to this mission, please give a check to one of the elders or ministers with India Flood Relief in the memo line.

MISSIONS MEMO...

**Colin & Lisa Graham •
Bangor, Northern Ireland**

Teaching - There is a lady in our congregation who has been a faithful Christian for many years. In spite of the fact that no one else in her family showed much interest in God, she persisted in encouraging them by living a Godly life. Recently, one of her sons in his 30's started coming to services regularly; he and I also had regular studies together.

Last week, he called me late in the evening and asked if I would baptize him that night. I knew that he was ready, and we did. He and I went down to the sea just after midnight and I baptized him "the same hour of the night." Please keep this young brother in your prayers, his name is Matthew.

This also shows the wonderful purpose of faithful Christian parenting. His mom never gave up showing him God. When his life was in darkness, he was able to find the light, thanks be to God.

Ladies Bible Class - The ladies Bible class is on Tuesday evenings and is going very well.

Men's Study Group - Thursday mornings we have a men's Bible study group at a local coffee shop. Recently a fallen away brother attended this class for the first time in several years. As we sit and study together with our Bibles on the table, customers have expressed interest and appreciation for seeing this type of study happening outside of a church building.

Good things are happening by God's blessing and your kindness. Thank you for your prayers and support. They really mean a lot to us.
