## A New Commandment

The apostle John said “Brethren, I write no new commandment to you, but an old commandment which you have had from the beginning. The old commandment is the word which you heard from the beginning. Again, a new commandment I write to you, which thing is true in Him and in you, because the darkness is passing away, and the true light is already shining” (I John 2:7, 8). This can be a confusing passage. John said “love” is not a new commandment; however, immediately turned and said that it is a new commandment. What does this mean? Simply put the command to love has always been around; however, it was not until Jesus showed us true love that we really understood it. Later John said “By this we know love, because He laid down His life for us. And we also ought to lay down our lives for the brethren” (I John 3:16). God has always desired that His people be people of love. Now that we know the love of Christ let us learn to love others as He does.

## **MISSIONS MEMO...**

### **Modesto & Vicki Paniagua Las Caobas, Dominican Republic**

May our God bless you beloved brothers and sisters. The church of Christ in Las Caobas and Rancho Arriba send you cordial greetings!

This month we carried out a medical mission. This activity was totally focused on helping people with medical problems, offering doctors who provide consultations and medicines.

\$2,000 was donated and raised for this effort. With this and the help of God, we were able to buy dental medicines and expendable materials and pay for transportation of some doctors. We were also blessed to have some donations of medications from participating laboratories.

Consultations were given on psychology, pediatrics, nutrition, and general medicine.

We also had dental services where 160 children received cleanings and application of fluoride to prevent cavities. Teeth were also extracted for some who were in poor condition. 60 adults also received dental care.

Meanwhile, the church is growing with new people regularly being baptized!

May God multiply blessings in this beautiful work that you do with us! Thank you again for your support that makes this work possible and all Glory to God!
