Place Your Trust in God

God has always wanted His people to put their complete trust in Him. But that isn't easy. We are often tempted to rely on the things we can see and control. This was the temptation of Israel. Isaiah wrote "Woe to those who go down to Egypt for help, And rely on horses, Who trust in chariots because they are many, And in horsemen because they are very strong, But who do not look to the Holy One of Israel, Nor seek the LORD! (Isaiah 31:1). The nation, who became great because of God, found it easier to trust in Egypt than God. They put their trust in the strength of Egypt, horses, chariots, and horsemen rather than seeking God's help. This was their downfall. Let us make sure that we, who belong to the kingdom of God, place our trust for salvation, hope, truth, and righteousness in Him.

MISSIONS MEMO...

World Christian Broadcasting Franklin, TN

World Christian Broadcasting is a non-profit organization supported by concerned Christians whose purpose is to take God's Word—through mass media—to people who may have no other means of hearing the Good News.

Our official Mission Statement: "World Christian Broadcasting exists so that people in places best served by broadcast media become aware of the Good News of Jesus Christ and want to know more."

The message of God is relevant to all time, yet the ways that message is delivered must stay current. World Christian Broadcasting's International shortwave broadcasting communicates the Good News to millions every day. KNLS, located at the top of the world in Anchor Point, Alaska, has been on the air since 1983.

A new station, located on the island of Madagascar in the Indian Ocean, began operating on March 27, 2016. In addition, each of our seven languages offers its own website, so that people out of broadcast range can still read important, life-giving messages.

Through these shortwave transmissions, we can blanket virtually the entire inhabited world. By speaking in people's own language, forming friendships, and creating bonds of trust, World Christian Broadcasting sparks hope, interest, and curiosity among listeners. Programming encourages a personal study of the message of Jesus. By the grace of God and the technology He provides, many will hear the Good News, perhaps for the first time, and respond to the life-changing invitation of Jesus.
