Love Your Enemy

One of the most obvious facts in the Bible is that Christians are called to be different. We are to be different in a lot of ways but particularly in the way we love. Jesus said "You have heard that it was said, 'You shall love your neighbor and hate your enemy.' But I say to you, love your enemies, bless those who curse you, do good to those who hate you, and pray for those who spitefully use you and persecute you, that you may be sons of your Father in heaven; for He makes His sun rise on the evil and on the good, and sends rain on the just and on the unjust. For if you love those who love you, what reward have you? Do not even the tax collectors do the same? And if you greet your brethren only, what do you do more than others? Do not even the tax collectors do so?" (Matthew 5:43-48). If we are going to be the people Jesus wants us to be then we are not only going to love those who are "easy to love" but we are also going to love those who do not love us in return. This is a great challenge but it is what sets Christians apart from the rest of the world.

MISSIONS MEMO...

The Ferguson Family Chimala Mission • Tanzania

Greetings from the Ferguson family serving at the Chimala Mission in Tanzania. During the past several months, there have been several things to report on at the mission and its various departments.

At Chimala School of Preaching, the students are doing very well, the staff and teachers are working diligently to ensure all is being done as it should be. We're so thankful for their dedication.

The primary and secondary schools have many children who are excelling, and they are also very committed to their studies.

At the hospital, we have been working hard to ensure the smooth operation of our x-ray machine and imaging software.

On the farm, we have been dealing with wildfires and we had some very close calls as the fires came very close to our property. Looking ahead, we are focusing on areas that can build strong financial independence for the mission. One area that has remained relatively low-key is the cattle program.

None of this would be possible without your continued support. We believe the path is laid out before us. Thank you to each and every one of you for your part in the work at the Chimala Mission.

As always, may God continue to bless you, your families.

Nathan, Kristi, Eden, Emmy & Rowan
