Your Words Show Your Heart

Listen to the words of our Lord in Matthew 15:17-20. He said “Do you not yet understand that whatever enters the mouth goes into the stomach and is eliminated? But those things which proceed out of the mouth come from the heart, and they defile a man. For out of the heart proceed evil thoughts, murders, adulteries, fornications, thefts, false witness, blasphemies. The concept that Jesus was teaching is quite simple. The words you say are the best indicator of who you are. If someone says mean words then he is a mean person, if he says foul words then he is a foul person, if he says hateful words then he is a hateful person. However, the same would apply if a person says nice words then he is a nice person, if he says kind words then he is a kind person, if he says loving words then he is a loving person. So the question is, what do your words say about you?
