Unity

When Paul wrote to the church at Corinth he had to address several problems. One of the major problems he faced was division in the church. The church is not supposed to be split up into several different factions but rather they are to be united in teaching and practice. However Paul had a problem explaining this to them because they were too spiritually immature. Paul said **“And I, brethren, could not speak to you as to spiritual people but as to carnal, as to babes in Christ. I fed you with milk and not with solid food; for until now you were not able to receive it, and even now you are still not able; for you are still carnal. For where there are envy, strife, and divisions among you, are you not carnal and behaving like mere men?”** (I Corinthians 3:1-3). Spiritually mature people understand that Christ wants unity in His church. Let us make sure that we strive for the same.
