Kindness is the state or quality of being kind. To be kind is to be of a good or benevolent nature or disposition toward others. It is to be loving toward them. Synonyms are gentle, tender, compassionate, gracious and kindhearted. Kindness implies a sympathetic attitude toward others and a willingness to do good to and for them.

The words kind and kindness, as they appear in the Bible, refer to being good, pleasant and gracious toward others. The words appear several times in Scripture. Men desire kindness (Proverbs 19:22). A kind person is a worthy person (Proverbs 31:26). God is kind (Luke 6:35). Christians are to be kind (1 Corinthians 13:4; Ephesians 4:32). We are to "put on kindness" (Colossians 3:12; 2 Peter 1:7).

How can we show kindness to others, especially fellow Christians? We can smile at them. We can say kind things to each other and not say unkind things. We can sincerely compliment each other. We can thank others for the good things they do. We can send a note, text, email or otherwise to let them know we are thinking of them and that we love and appreciate them.

There are many good ways to be kind and show kindness to others. Are we doing that? If you are, please continue. If you are not, please start. You will be surprised how it will brighten both their day and yours.

THANK YOU

WOW, WHAT A CELEBRATION! Thank you Southern Hills for helping to make our 70th Anniversary a milestone, with the many cards, visits and messages from the church members. It made us feel special and loved from all of you!

Robert & Marian Holt

To the members and staff at Southern Hills Church:

There are no words to express how much I appreciate all you did to love and serve my father. He appreciated and talked about every visit, phone call and card (and he kept every single card). Then you continued to express your love by providing food for our family after his funeral service, and a beautiful plant. "all people will know you are Jesus disciples because you have love for one another".

Blessings,

Wayne & Vickie Tomlinson
