## Three Days

Jesus made a lot of bold statements during His time on earth. Many of those statements caused people to reject Him. He boldly taught that after His death He would live again. Immediately after Jesus had chased out money changers from the temple the Jews asked Him what authority He had to do such a thing. **“Jesus answered and said to them, ‘Destroy this temple, and in three days I will raise it up.’ Then the Jews said, ‘It has taken forty-six years to build this temple, and will You raise it up in three days?’ But He was speaking of the temple of His body”** (John 2:19-21). No doubt that was a bold claim. Yet the wonderful thing is that Jesus did not just claim it, He did it. John 2:22 says **“Therefore, when He had risen from the dead, His disciples remembered that He had said this to them; and they believed the Scripture and the word which Jesus had said.”** As we study our Bibles, let us look to accounts such as this, and have our faith strengthened also.
