Intentions

Most everyone has heard of the flood mentioned in the book of Genesis. However, few actually understand why God flooded the world. Usually we say “because of man’s wickedness” but that is only partially right. Genesis 6:5 says “**Then the LORD saw that the wickedness of man was great in the earth, and that every intent of the thoughts of his heart was only evil continually.**” This passage says God flooded the world for two reasons. One reason is that man was wicked. However the other reason had to do with their intentions. We are told that when God saw the hearts of man He saw that their intentions were to continue to do evil. They did not repent nor did they desire to do right. They were living lives of violence and immorality and planed on keeping it that way. Let us make sure that our actions are pure and also our intentions.
