“Beloved, you do faithfully whatever you do for the brethren and for strangers, who have borne witness of your love before the church. If you send them forward on their journey in a manner worthy of God, you will do well, because they went forth for His name’s sake, taking nothing from the Gentiles. We therefore ought to receive such, that we may become fellow workers for the truth.” III John 5-8

I remember taking the bulletin on Sunday mornings and scanning it very quickly to see what activities were coming up for my age group. When my brothers and I would see we had an activity, we would be very excited and count down the days.

We all have activities we enjoy and look forward to coming around each year. We will invite our friends and neighbors so they can enjoy the activity just like we do. This year is no exception. Kite day, is just around the corner, April 14! This is a day we will enjoy time of fellowship and our children will have outside games and wrap the whole day up with an egg hunt. Invite your friends and neighbors to worship with us and plan to stay for the fellowship.

The first week of June has been a big week for the youth group for as long as I can remember. This is the week we pack everything up and go spend an entire week playing games, spending time talking and time in Bible study at Williamson County Bible camp. Everyday we will have different visitors come by and see what is going on at camp. We invite and encourage you to make plans to pick a day during the week to drive up to Camp Hy-Lake and spend the day with us.

Vacation Bible School at Southern Hills has always been a highlight of the summer. The entire congregation pulls together and puts on an incredible VBS based on a specific theme. VBS is not just for the children, Cody Lovett has a great line up of speakers for the adults. Each night the adults will have a class that will dive into the topic on a deeper level and challenge each of us in our daily walk.

I encourage you to take the bulletin each Sunday and comb through it to see what we is happening. These activities coming up this summer are great opportunities to invite your friends and neighbors. They are also avenues for each of us to use our talents for the Lord. We need artists, teachers, builders, photographers, leaders, cooks, people to make phone calls, computer experts, etc – we need each of you!
