## The Word of God

We live in a time when many have lost interest in - and respect for - the Bible as the word of God. This has caused problems in almost every area of human life. The Bible is the word of “the living and true God” (1 Thessalonians 1:9), and it must be taught and respected as such (2 Timothy 3:14-17; Jude 3).

It has been said that those who do not learn the lessons of history are bound to repeat them. That is as true - or more than - as I is of lessons learned anywhere from anyone. When we add to or take away from Scripture we put our lives and the life of the church in great spiritual danger.

Think of some of the changes taking place in the church today: appointing women as elders and preachers, adding instrumental music to our worship service and others.

We must obey the word of God as it is revealed to us in His word, the Bible. Only then can we be assured of continuing fellowship with God here and eternal life with God in heaven.

“Sanctify them in the truth; your word is truth” (John 17:17)
