Courageous

The Do you remember the last time you were scared or in fear? Maybe it was before you stood in front of a crowd to speak. Maybe you were looking down to the earth below from the top of a tall building. Maybe you heard a strange noise in your house in the middle of the night (that's never fun). What did you do next? How did you handle the fear?

Now let me bring it into our spiritual life. Have you ever been scared about something in your Christian walk? Were you fearful to expose evil in the world, sin in someone's life or a Christian's false teaching? Were you afraid to step into a service role in your congregation? Were you nervous about saying no to your co-worker who asked you to engage in an ungodly activity? How did you handle your fearful situation? Did you have the courage to do the right thing or did you shrink back in fear?

God calls us to be courageous! You're going to have times of fear if you are living the Christian life in this evil world. Courage is not the absence of fear, it's the ability to act despite it! Courage is doing the right thing in the presence of fear. In order to live according to God's will, we all need to be courageous!

MISSIONS MEMO...

World Christian Broadcasting Franklin, TN

World Christian Broadcasting is a non-profit organization supported by concerned Christians whose purpose is to take God's Word—through mass media—to people who may have no other means of hearing the Good News.

Our official Mission Statement: "World Christian Broadcasting exists so that people in places best served by broadcast media become aware of the Good News of Jesus Christ and want to know more."

The message of God is relevant to all time, yet the ways that message is delivered must stay current. World Christian Broadcasting's international shortwave broadcasting communicates the Good News to millions every day. KNLS, located at the top of the world in Anchor Point, Alaska, has been on the air since 1983.

A new station, located on the island of Madagascar in the Indian Ocean, has produced tremendous positive feedback helping spread the Gospel around the globe. In addition, each of our seven languages offers its own website, so that people out of broadcast range can still read important, life-giving messages.

Through these shortwave transmissions, we can blanket virtually the entire inhabited world. By speaking in people's own language, forming friendships, and creating bonds of trust, World Christian Broadcasting sparks hope, interest, and curiosity among listeners. Programming encourages a personal study of the message of Jesus. By the grace of God and the technology He provides, many will hear the Good News, perhaps for the first time, and respond to the life-changing invitation of Jesus.

Thank you so much for helping us share our mission. We're passionate about sharing the love of Jesus and the Bible with people everywhere on our planet. Our journey began with a simple idea: to utilize shortwave radio to connect hearts around the globe.

Thank you, Southern Hills, for joining us in this wonderful adventure of faith!
